## WoW Mentors for NCS

WoW Mums enjoyed mentoring youth from National Citizens Service in Haven Lodge this month. Their challenge was to make everyone smile, which they did with their lovely balloons, jokes, soap bubbles, snap-chat, lollipops, cards and playing piano, but mostly because they did the washing up after scrumptious lunch. Thank you to Big Local SW11 for funding this project.

## Wandsworth Business Award

WoW Mums attended the launch of this years Wandsworth Business Awards last month. One of our WoW Mums Sandra Munoz Alvarez has been nominated for the best business supporting the local community with her Keepsake Videos company. Sandra has been volunteering for 15 local community organisations for the last 10 years, before becoming a self-employed Media Director.

# WoW Enterprise Club

WoW Enterprise club has helped several local mothers to get self-employed through our support, professional networking workshops and events since 2011.

Now, WoW Mums have teamed up with Business Biscotti, dynamic UK business networking organisation, to widen the potential clientele pool for our mothers' and fathers' enterprises.

The informal way of meeting and striking deals over a coffee and a biscotti is the easiest way to meet and potentially work with new organisations and businesses.

Our next networking forum is on Friday, 17th September from 10am in Revolution club in Clapham Junction. All welcome!

# Wandsworth Kid's TV

WoW Mums are starting a Wandsworth Kid's TV on 22nd September as an extension of our Drama project for children, to help with their confidence building, eloquence and creative performance. This after-school class will be held in Caius House on every Thursday, term time. WoW Mums Sandra Munoz Alvarez will film the children with a green screen background as they present the news from our borough.

Sandra will guide them as they interview local celebrities, councilor and residents to discuss local issues with local people and children, which are relevant to them.

Please register on 07940401366.

We are very grateful for funding support from Walter St John's Trust, Caius House and from Wandsworth Community Grant.
