WoW Trip to Jurassic Coast

WoW Mums have organised an inclusive, educational and therapeutic trip to Devon for our local families who suffer from respiratory and other problems due to high pollution in London. We were very lucky to have had good weather for a long walk on Lyme Regis Jurassic Coast, looking for

200 million years old fossils of Dinosaurs and Ammonites. We have visited the Mary Anning science museum to see her incredible finds of fossils of Ichthyosaurus, which changed our knowledge about the history of Earth. Swimming in the sea with Fish & Chips at lovely Beer beach was a bonus. We also visited awe inspiring

Beer Quarry Caves, where stone for Winchester, Exeter and St. Paul's Cathedrals, as well as for Westminster Abbey and Tower Bridge were quarried for the last 2000 years from Roman, Saxon and Norman times to present day. Thank you to Aiming High Project and to SW Rotary Group for funding this trip.

WoW Big Picnic

Community Champions Gema Gil and Senia Dedic have organized a Big Picnic in Fredwells Gardens this month for all Battersea residents, including children and dogs. We had a very good turnout and very good weather.

We are planning another picnic in August, with all local residents. We will have a tennis tournament on the tennis court in Fredwells Gardens, so bring your tennis racquets and a picnic rug.

Intergenerational Theatre Trip

Right: Thames Christian College Students and their Head teacher Stephen Holsgrove

Bottom: WoW Mums Syeda Islam and Andrea Moor with residents of Haven Lodge and John Kirk House.

WoW Mums have taken residents from Falcon Estate as well as the residents from Haven Lodge and John Kirk House to The Clapham Grand Theatre to see the Gershwin's musical 'Crazy For You', performed by the very gifted and talented Thames Christian College students. It is a show that provided a high level of challenge for the students, with big dance numbers, staged cowboy fights and a hilarious case of mistaken identity. Children performed exceptionally well and everyone enjoyed it very much. Thank you to Thames Christian College for the free tickets.

WoW Drama

WoW Drama class, led by our teacher Zenovia Rethoric has prepared the Charlie and The Chocolate Factory last term and have performed in front of their parents and the audience in Caius House this month. We would like to thank our funders Near Neighbor Trust for making this possi-

ble for all local children, from neighboring schools, who appreciate learning about the theatre genre and live performance. We will be continuing with these Drama classes from September. Please register your interest on 07940401366, as places are limited.
