WoW BBQ

WoW Mums organised a BBQ for all elderly in Battersea in the lovely Haven Lodge garden. We loved serving hamburgers

to three generations of our neighbors with the funds from Big Local SW11 grant and the selfless help of all our WoW volunteers.

Our next intergenerational event is on 15th July, where we will mentor the youth from NCS in bridging the gap between generations.

International Science Olympiad

WoW Kid Mak Dedic has been chosen by UKMT, UK Mathematical Trust, to represent United Kingdom at the International Science Olympiad and to compete in Maths and Physics with the students from the whole world. International Mathematical Olympiad is an annual six-problem mathematical competition and is the oldest of the International Science Olympiads.

Business Awards Launch

Women of Wandsworth Enterprise Club, for self employment of Mothers, has been invited by Wandsworth Chamber of Commerce to the launch of their Business Awards this month. Next WoW Enterprise Club networking is on 3rd July in City Hall at Summer event organised by Cllr Leonie Cooper, Assembly member for Wandsworth and Merton.

WoW Resident Artist

Local curator producer Mel Barry chose WoW Mum Senia Dedic to be one of a group of 2017 artists in residence at Locals' Art Hut - a community engagement event that Mel organised in partnership with Thrive Battersea Park for the Chelsea Fringe and Wandsworth Fringe. Art Hut showcases accomplished and aspiring artists alike to help encourage creative development in those who have artistic interests that they would like to develop or explore. Themes and partnerships for Mel's productions are typically focused on attracting participants from the wider community to take part regardless of age or experience, and societal or environmental topics. Locals' Art Hut will be open on 1st and 2nd July from 10am to 6pm, selling nature and locally inspired art made by various ages and levels of talent - Thrive Main Garden, East Carriage Drive. All children, young and vulnerable people must be accompanied and supervised at all times by a parent or adult carer.

Architecture Festival

WoW Mums were invited to the London Festival of Architecture talk about historic Battersea Power Station through the artist's eye. It was our pleasure to see paintings by accomplished Power Station Resident Artist Michael Warren, who had the permission to paint this iconic structure for the last 30 years internally and externally, as well as to document the historic change through his inspirational art.

Dinosaur Day

Wandsworth Contact a Family, organisation for families with disabled children organised a commemorative day on every 19th June to remember Cameron Mathison, a little boy who suffered from Cystic Fibrosis and Duchenne's

Muscular Dystrophy and spent 3 years in hospital out of his short five years life.

Contact a family supports families with children in hospital to make sure they can make every moment count,

whatever the disability and to live life to the fullest extent they can.

Let's support more families with disabled children and organise a Dino Day every year.

W.O.W TRIP TO DORSET

WoW annual residential trip to

Swanage in Dorset is on:

23nd—27th July 2017

Our aim is to expose our children who suffer from chronic illnesses, aggravated by pollution in inner city, to fresh air and organic food from the countryside.

This therapeutic and educational residential trip has been organised by WoW Mums for the last 7 years and funded by Wandsworth Aiming High Project.

This year we are going to Swanage to have lessons in astronomy and look at stars in Durlston Castle observatory, look at wild life and explore local beaches in search for fossils.

Please call 07811660580 to register.
