## WoW 10 Years Celebration

You are invited to WoW Mums' 10 years celebration of our community work, campaigns and self-help solutions to ubiquitous problems, which can now be seen as a success, since we are getting the results of our hard work through our children graduating from universities and colleges.

This has been achieved through our sustained support of good parenting, which leads to children making the good choices in

their lives.  
We hope you can come  
to City Hall on 7th  
November to celebrate

with us and to see our  
plans for the next WoW  
decade.

## Trip to Bournemouth

Residents of Haven Lodge had a chance to join the Community Trip to Bournemouth, organised by Kambala Estate RA, through help of WoW Mums who funded their

tickets. Residents enjoyed the trip very much and loved being included in the community events and being with their neighbors. Weather was good and everyone had fun.

Next trip is to Dickensian Christmas Market in Rochester in December. Please contact WoW Mums if you are over 65 and live in Kambala estate for free tickets.

# WoW Intergenerational Dance

This is a call for aspiring, amateur and professional dancers, actors, musicians, singers and visual artists of any level, age, background or ability to participate in a 'Move Exhibition' creativity experiment in movement, performance and visual art, culminating in a show case opening of WoW 10 years anniversary celebration on 7th

November in City Hall. Dance classes will be held Royal Academy of Dance in Battersea with elderly residents, WoW Kids and all other interested people from our community, from mid September. This creative artistic dance project is led by choreographer and dance teacher from Royal Academy of Dance Jo Leahy.

Please contact 07811660580 if you'd like to take part in this creative celebration and perform in Map Room in City Hall London.

## Christ Church School's Harvest

WoW Mums and local community were invited to Christ Church School's Secret Garden in Falcon Estate to harvest their fruits and vegetables, grown by the school children.

The RHS award winning garden has produced the biggest pumpkin, grown in an urban garden last year, so the children are keen to grow even a bigger one this year. Children wrote a book about their green ecological journey.

# WoW Mentoring NCS Youth

**WOW**

As part of WoW Mums Inter-generational project, on 8th August 2017 the young people from NCS visited the residents at Haven Lodge, under the leadership of Megan from The Challenge and WoW Mum Andrea Moore.

12 youths from London prepared a tasty lunch for three generations. The table was decorated with vases and flowers.

Starter was tomato soup and crusty bread and butter- very yummy. There was then a game of bingo, with all three generations taking part.

Main course was Roast chicken, Yorkshire pudding, mash potato, carrots, peas and gravy, all cooked from scratch by the young people from NCS.

Pudding was Apple crumble and custard.

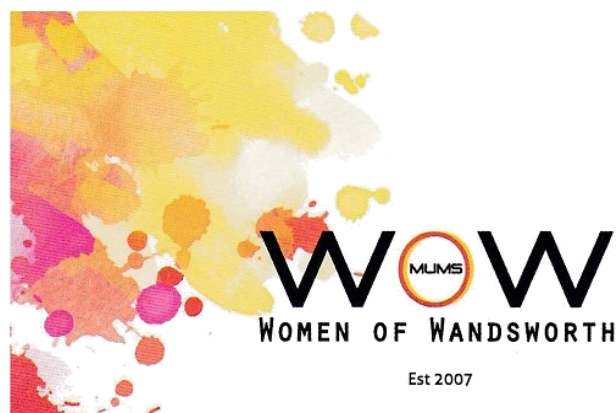

The young people were pleasant and very helpful. They were well organised and highly disciplined. Please contact WoW Mums if you'd like to help the elderly in your area.

## Doris Emmerton Event

WoW Mums are very pleased that our intergenerational initiative has resonated very well with St. Peter's Church group, who organised a fun day and lunch in Doris Emmerton Sheltered Housing Accommodation to join WoW Mums' intergenerational effort to integrate the elderly in every day life of our community. 'We really enjoyed meeting

the residents while doing some crafts together and having lunch with some of them. We hope to visit again soon.

St Peter's has also started a group called 'Living Life' for over 60s - activities, soup and chat - 2.30pm every Tuesday at St Peter's Centr. All welcome.' said Helen Taylor from Battersea.

WoW Mums will have a special guest speaker from Barnardo's to discuss Missing and Trafficking children and Online Grooming at our regular WoW Parent Forums on:

Saturday, 23rd September

Saturday, 7th October

Saturday, 14th October
