## WoW at Falcon Festival

WoW Mum Louise Montague, an artist and an entrepreneur designer, has represented WoW Mums at the Falcon Road Festival this month, with her beautiful hand made flower garlands. Contact her on Facebook at Louise Jollie Montague if you like her bespoke art. Festival theme this year was community and families and WoW Mum Sandra Munoz Alvarez documented what was happening with her trusted camera and editing skills. Watch out for another amazing video of this event very soon.

# WoW Intergenerational Consultation

WoW Mums have been commissioned by Winstanley Regeneration Team to host the intergenerational consultation in York Gardens Library to include the opinions of elderly residents in their new estate developments.

This is a result of WoW campaign to include elderly in all community life and events, so they can be informed and represented.
