WoW Dad Winner

WoW Dad Andrew Beech won an ultimate UK award as the Community Coach of the year 2019 in multi-sports. Judges were unanimous in awarding this special award to Andrew for motivating and challenging people in Battersea to overcome their physical and mental problems by engaging them in Karate, Zumba, Weights lifting and running. Andrew started Zumba classes, ran several marathons with residents and established WoW Karter Championship for children in transition from primary to secondary school to prevent bullying and increase children's vigilance and self defense skills. ## **Christmas Clay Workshop**

WoW intergenerational Christmas party stretched over two weeks, as we had to wait for our clay ornaments to dry so we could decorate them.

Residents making clay ornaments in Haven Lodge

We are grateful to Winstanley Regeneration Team, led by Charlotte Haley, for organising two clay workshops with WoW Mums in Haven Lodge, sheltered housing accommodation to decorate their Christmas tree, donated by Waitrose, after WoW Mums organised it. After laborious but fun work, we had special Christmas lunch and opened handmade cards, decorated and written by local school children.

Our MP Marsha de Cordova and our local Councilor Tony Belton visited us to offer further support to elderly residents in Haven Lodge.

Next WoW intergenerational event is on 9th January 2020, so please join us.

### New Year Parade

WoW Mums are very pleased to have been invited to support the Wandsworth Borough's float at this years New Year Day parade in central London. Worshipful Mayor Jane Cooper chose a good theme—Wandsworth is Blooming. Photo: from New Year Day parade 2019

### **Christmas Cards for Elderly**

WoW Mums' children have always written Christmas cards to elderly in sheltered housing accommodations, but since last year we have expanded this initiative to all local schools.

Students from Thames Christian secondary school have designed and written cards to Haven Lodge and Doris Emmerton Home and Christ Church School Year 4 pupils wrote Christmas cards to local elderly in Falcon Estate, as well as to Haven Lodge residents.
