WoW Karate Championship

WoW Karate Championship, organised by WoW Mums and delivered by Karate Master Andrew Beech, black belt, second Dan, graded 40 children from our community and set up the judging of karate

sparing fights in John Bosco school this month. Children in transition from primary to secondary school benefit the most from these karate lessons and championships, as they learn crucial

defense systems and heightens their vigilance. Next WoW Karate term starts on 18th January 2020 in KLS. All children are welcome. Please contact 07703723236 to register.

WoW Mum Sandra with Jeremy

WoW Mum Sandra Munoz and residents of Clyde House had another visit by Jeremy Corbyn to see the improvements after a devastating injustice in social housing committed by unscrupulous landlord. Residents in social housing should not get second class treatment by landlords and be segregated from others.

WoW on Channel 4 News

WoW Mums community organisation, without state funding, has been chosen by Channel 4 news for an interview about benefits of Sure Start for our children and families. Despite Sure Start services being changed to Children's Centres, the benefits were not the same. That is why WoW Mums continued the Sure Start type service and included families with children over 5 years of age for the complete family bonding life. We have 2000 members on Facebook and have helped directly at least 100 families over 12 years of solving parents' problems in our community and countless other families, through our successful campaigning for our children's rights.

Gema Gil with the Channel 4 reporter

WoW at Fireworks Display

Several WoW Mums families attended the spectacular fireworks display in Battersea Park and helped collect the funds for the Mayor's charities. Despite the cold and damp day, children enjoyed shaking the buckets, warming up by the huge bon fire and watching the fireworks.

WoW Army Cadets

WoW Kids Eduardo Munoz Alvarez and Adam Hamidani (in the photo) have joined the Army Cadets and took part in Remembrance Day parade in Battersea. Army Cadets make lifelong friends amongst the youngsters and take part in adventurous activities like rock climbing, mountain biking, while making a difference in our community.

WoW Mentoring NCS

WoW Mums have been mentoring youth from NCS (National Citizen Service) for the last ten years. WoW Mum Andrea Moore taught them how to bake a cake from scratch and serve lunch for Haven Lodge residents.

Intergenerational Sports

WoW Mums and WoW Kids have fitness sessions with residents at Haven Lodge to break the barriers between generations and to improve health and agility of all three age groups. Our darts competition in Doris Emmerton has been published in Homelife magazine as an inspiration to others. Children like playing board games and puzzles with the elderly for mental agility. We would like to thank our funders CCG and Enable.
