Queen Elizabeth II

Photo: At the St. Mary Magdalene Church and bellow at the Buckingham Palace lawn

Women of Wandsworth attended the Civic Service of Remembrance and Thanksgiving for Queen Elizabeth II at the St. Mary Magdalene Church on Wandsworth Common with the Worshipful Mayor of Wandsworth Cllr Jeremy Ambache. We also went to Buckingham Palace to pay our respects and lay flowers on the lawn during the week of national mourning.

WoW Fridge Freezer For Elderly

WoW Mums have donated fridge freezer to our elderly friend Brenda and other elderly residents who lives in Haven Lodge, sheltered housing accommodation in Battersea.

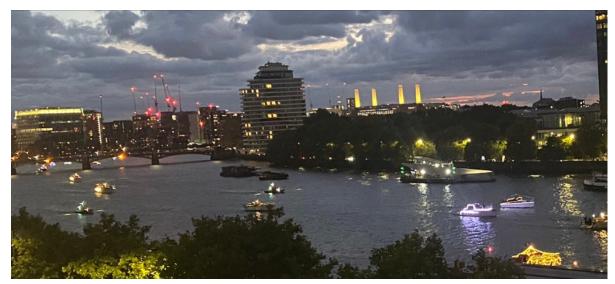

We have been supporting our elderly friends in Haven Lodge for the last 12 years, including delivering free food to them and other lodges during pandemic.

We are still delivering non perishables and fresh free fruits and vegetables to them due to high cost of living. We decided to donate the fridge freezer to them, so they could save and freeze some food for Christmas.

Flotilla For The Queen's Remembrance

WoW Mums have been invited to watch the very first night Illuminated Flotilla on river Thames for the Queen Elizabeth II Remembrance. 130 boats took part, including the Queen's boat, last used for her Golden Jubilee.

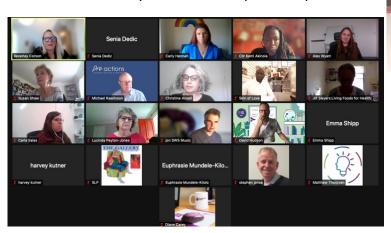

All boats, manpowered and motorised, were decorated with lights and paraded through central London, from Chelsea to Tower Bridge, to create the river of lights. Illuminated boats, passing peacefully by on night river, made us reflect on Her Majesty's reign.

WoW Enterprise Club

WoW Enterprise Club members attended regular Business Forum organised by Wandsworth Chamber of Commerce on zoom to hear the presentation by Carly Hennah from Lady PA about maximizing productivity by having good time management. This includes the checklist and the ways to

stop procrastination and wasting time daily. We were also invited to a City Networking Lunch at Anthologist in Bank by Business Junction team, who provides spectacular events for nurturing business ideas, developing opportunities and fostering new partnerships.

WoW Karate

New WoW Karate term has stated this month at the Caius House youth centre. We are very thankful to Thomas's Foundation for their continual support of our project, which has the aim to help children learn self-defence against bullies and to increase vigilance when walking back home from school at night.
