SENIA DEDIC

Wimbledon Royal Box

WoW Mums Founder and Chair Senia Dedic has been invited by Mr. Ian Hewitt, Chairman of All England Lawn Tennis Club to the Royal Box at The Centre Court, during Wimbledon Tennis Tournament, as a recipient of the Most Excellent Order of the British Empire medal. Day started with the exciting pre lunch drinks on the famous Club balcony and continued with the opulent food and tennis games throughout the afternoon and into the evening. There was so much to see and do around the Grounds and explore all places with the special Royal Box pass. Very exciting!

WoW Karate Black Belt

After more than 10 years of regular karate training, starting at the very young age, Giulia Minghella achieved her goal to get the Black Belt and to become a Karate Sensei. She made her mother very proud, who commented that Giulia would've not achieved this without the WoW heavily subsidised karate lessons for children and all our support over the years.

We have to thank our partners and funders Thomas's Foundation who are funding this WoW project to make sure that all children can access crucial self-defence classes, whatever their means. We wish Giulia all the best in the future and we are looking forward to our next successful Karate Kid with a black belt. Next WoW Karate term starts on 23rd September in Caius House.

Voluntary Sector Conference

Women of Wandsworth have been invited to the Voluntary Community Sector Conference, which is the second consultation about the future relationship between the Council, Public Sector, Businesses and Voluntary Sector to form the stronger bond and to activate everyone in the borough for the better use of our resources for our better future. Council Leader Simon Hogg thanked all voluntary organisations who support people

in need of Council's help. John Griffiths from Rocket Science talked about the survey, which will help us understand the Sector's challenges and gather the potential ideas and solutions to our problems. Rocket Science organisation have done a comparison of WBC with other Councils to see how they have dealt with some of the problems. There were discussions on five themes: Volunteering, Leadership &

Advocacy, Partnership & Collaboration, Funding and Organisational Development. WoW mums proposed the buddying system between the businesses and their chosen charities to support from their CSR and also to implement our Solar Car-parks idea as a way to get free charging points for electric cars and potentially free electricity for schools and NHS.

Summer Party at Holmleigh Court

It was nice to join the elderly at Homleigh Court lodge for a summer party this month in their lovely living room. We had visitors Jummy and Justine from Wandsworth Care Alliance (photo above) at the party.

We had a special presentation of a Certificate of Appreciation awarded to top volunteer Joe Wiczorek for all his regular, weekly food supply donated to the lodge over the past six months.

Everyone enjoyed the lovely food prepared by Amanda Bridges and several attempts to dance by the elderly and the guests. Wonderful event carried on in the late afternoon with several new friendships made amongst the residents and the visitors from the neighborhood.

75 Years of NHS

NHS was founded in July 1948 and has been the most needed and respected British institution ever since then. In these 75 years NHS adapted throughout the generations from the first kidney transplant in 1960, to the first IVF baby in 1978 and to some of the pioneering innovations for HIV and Covid 19 trials recently, it has always been our rock. Amanda Prichard, NHS Chief Executive visited

Chelsea and Westminster hospital this month and has joined the festivities attended by the Nurses, Doctors, Patients, ICS and the public. We enjoyed the cake to celebrate this big milestone in our health service. Happy Birthday NHS! WoW Mums Health Champions are proud to be able to help the NHS in any way.

WoW Karate Championship

All Karate Kids are always looking forward to the WoW Karate Championship, as they can implement in sparring fights what they have been practicing for in the year. Congratulations to all winners of gold medals and to students who passed the grading onto a new colour belt. Please contact us if you wish to join our waiting list.

42nd Street Musical

Thames Christian school Students chose to deliver a 42nd Street Musical as their GCSE finals and perform on their brand new school stage. This West End revival has a multiple award winning plot and super tunes from the 1930s Great Depression era. School's drama department and

students made their own outfits for the performance. The Show includes many songs from the 42nd Street film as well as from other films from that same era, which was such a trip down the memory lane for our elderly friends from Holmleigh Court lodge, who were also invited to this show.
