WoW Mums in Weymouth

WoW Mums annual community trip to Weymouth was exciting and full of fun this year. Family friendly beach was very clean and there was a lot to see in this lovely Georgian town in Dorset. We explored the huge Chesil Beach on Dorset's Jurassic coast and its rich history, full of fossils. This would not have been possible without the support of our funders Battersea United Charities and Wandsworth Council, who funded this residential and educational trip for our families. We are looking forward to next summer.

Wandsworth Mural

WoW Mums are excited to take part in Winstanley Regeneration Team's Time Capsule event, which will take place in October, when the Time Capsule will be buried by the community. Several workshops and activities will be organised before then to write messages, poems, make videos and

to take photos for the everlasting capsule. We are also taking part in Wandsworth Community Mural project in Putney. WoW Mums met with artists Shiza (in the photo) and Julian Hills to discuss the potential themes for the mural and the legacy it will leave for the posterity in Wandsworth.

WoW Free Food For Elderly

WoW Mums would like to give a big thank you to our volunteer driver Joe Wiczorek for delivering free food to our elderly friends in John Kirk lodge and in Holmleigh Court sheltered accommodation in Battersea for the whole year, despite having had an operation and being in hospital for a quick recovery.

Petition

WoW Mum Deepika Makwana, CEO of Keeping Families together charity, has started a petition asking the Government to review the school exclusion policies and exclusion practices in academies.

The review should look at existing practices around exclusions and alternatives to these; Rates of exclusion - including by ethnicity; The role of Governors and Head teachers in decision making process about exclusions.
