## High Tea at Wimbledon

Wimbledon Foundation Trustees.

We are looking forward to working with them and to use the resources and heritage of Wimbledon to help change people's lives.

Wimbledon Foundation invited the organisations they support through their Wimbledon Foundation Community Fund to an afternoon tea at the All England Club, with a visit to the Center Court

afterwards. It was great to meet the community leaders from all parts of Wandsworth and Richmond and compare the solutions to resident's issues. It was our pleasure to meet our funders and

## Meeting WBC CEO

WoW Mums invited Mike Jackson, CEO of Wandsworth Council to our Parent Forum, organised together with KFT Charity in True Brew Café. We discussed the Christ Church school issue, rise in Gang and Knife crime and Housing issues our parents are enduring. We hope that some results will come out of our discussion and that proposed solutions are going to be implemented.

# Wandsworth Town Library

WoW Mums are very pleased to have been invited to the grand opening of the new Wandsworth Town library this month. This beautiful new space is not just a library but also a place to do homework, use the computers, read the newspapers and hire the meeting space.

It was a pleasure to see the new children's library, with its own separate toilets, and to meet the

children's books author Kamapala Chukwuka.

It is impressive that this library is a sustainable building with lower carbon footprint and comprehensive insulation.

Worshipful Mayor of Wandsworth Cllr Juliana Annan officially cut the ribbon and declared the library open at this ceremony.

## Supporting the Elderly

WoW Mums are still supporting our elderly neighbors in Battersea, who live in sheltered accommodations and lodges. Free food is delivered weekly to the lobbies of John Kirk and Holmleigh Court homes. Residents enjoy fresh meat, bread and fresh vegetables and fruits, as well as pasta, potatoes and rice.

Big thank you to our volunteer driver Joe Wieczorek and A&P Foundation for their continual support.
