WoW Trip to Dorset

Thank you to our funders for their support in making this trip possible.

WoW Mums annual, community trip to the sea-side was fun and educational. We took our Mums, who volunteer for us the whole year, to Weymouth in Dorset for a residential trip to thank them for all their help. It was nice to spend time with families in very good weather at the beach.

WoW Enterprise Club

Team Lewis Foundation organised several outstanding fundraising events in their spacious offices at the top of the Power Station complex to meet the local organisations and charities who need funding. It is difficult to fundraise with such a good competition in Battersea, amongst top charities and eminent Foundations we work with.

Happy Days Musical

Thames Christian school Students chose to deliver Happy Days Musical as their GCSE finals and performed on their brand new school stage. Thank you to the school Headmaster Mr. Steven Holsgrove for supporting the school's neighboring projects, including WoW Inter-generational project, by involving the students in our work with elderly in Holmleigh Court, sheltered accommodation.

Senia and Mr. Holsgrove

Hardship Conference

Hardship Conference, organised by Malik Gul, informed us of the proposed welfare reform and Pathway to Work and what it will mean for Wandsworth residents. Table discussions and personal stories showed us what could be the impact of this reform and if we equipped in Wandsworth to deal with the outcomes of these changes .

Watering the Gardens

Thank you so much to Thames Christian school's Year 8 students for watering the very dry plants and gardens on Falcon Estate, led by their Teacher Vicky Cionini, who always engages the students in volunteering and helping the community. Well done!

Free Food For Elderly

Elderly residents of John Kirk Lodge and Holmleigh Court sheltered accommodation in Battersea are so grateful for free food deliveries to their lobby, as this is a solution to high cost of living crisis, which affects everyone, but mostly the elderly. Thank you to A&P Foundation for their regular, weekly donations and their perpetual support of the most vulnerable people in our community.

Country on the Common

WoW Mums attended the fantastic County on the Common festival, organised by Enable on Tooting Common. There was everything from Line Dancing, Tex Mex, Rodeo Bull Riding, Lasso Lessons, Nashville style stage performances and other fun family activities. This event was a part of Wandsworth Borough of Culture events.
