Black History Month

Women of Wandsworth have been invited to the celebration of Black History Month at York Gardens library, organised by Women's Business Support Network.

Always lovely to see the local community together, celebrating the success of our neighbors, especially black women, achieving the highest positions in our society.

Speakers Joy Fraser and MP Marsha de Cordova described their path to success and the most successful black drummer Abass Dodoo entertained us long into the night.

UN Celebration

Meeting at Uganda House marked the 80th anniversary since the UN Charter has been signed. It as a lovely occasion to celebrate the value of peace and human dignity that underpins the UN Charter.

This celebration reminded us that peace is not only a global ambition, it begins locally, in conversations between people. International awareness and active citizenship continues that tradition of keeping the human rights top priority in the world.

Welcome

Hosted by The Royal Marsden NHS Foundation Trust

Silver October

WoW Mums have served lunch to our elderly friends at Holmleigh Court and enjoyed talking to everyone. We have received thank you messages from one of the elderly residents - Irene from Ukraine, who enjoys our company and likes to practice her English language by talking to us. Thank you to our funders A&P Foundation and to

CooP for donating funds for refreshments for lunch and for joining us at the event. It is lovely to see volunteers helping throughout high cost of living crisis and trying to help us persevere with our social responsibility towards our neighbours who are less fortunate. This was the best way to celebrate Silver October.

CooP Grant

WoW Mums would like to thank Zoe Chan, Coop Member Activator from Coop supermarket for all her help and support of our organisation and our WoW Inter-Generational project, tackling the loneliness and isolation of elderly and helping the local community unite in supporting our neighbors. We are looking forward to working with Coop in the future to secure our project.

Housing Conference

Cllr Aydin Dikerdem, Cabinet Minister for Housing welcomed everyone to the Housing Conference, where we got a lot of information about the housing services in Wandsworth: Fire safety, anti social behavior, new landlord's responsibilities, Access for All scheme, Community Gardens and Awards, as well as Residents Participation Strategy. Workshops with residents raised outstanding issues about Club Rooms and new issues with increasing numbers of rough sleepers in cold weather, using our estates' corridors as their temporary homes.
