## WoW at APPG

Senia Dedic has been invited by APPG All Party Parliamentary Group to the House of Commons to discuss London's needs from the Budget with other community groups and political Party representatives, including MP Fleur Anderson. Speakers from Business London and from Imperial College stressed the impotence of growth, which could be achieved by building new homes and reaching the stability for local governments. New children's formula was proposed and aim to empower local government to raise funds not to be relying on Governments donations.

## Remembrance Day

Remembrance Day service at the War Memorial in Battersea Park was well attended as always and Worshipful Mayor of Wandsworth led the laying of wreaths ceremony to honour the heroic efforts, achievements and sacrifices that were made in past wars. Two minute silence was observed at 11am in memory of the fallen.

# Mayor's Civic Awards

Annual Civic Awards ceremony, given to local unsung heroes by the Worshipful Mayor of Wandsworth, is always a special occasion to meet lovely hard working people from our community, who help to make it a better place to live for all of us.

It is always heartwarming to see what the winners have done in our community to deserve the award. Some very inspirational work has been done by volunteers who selflessly helped those in need by using their skills. Well done!

## WoW Karate

Karate is a challenging physical sport that boosts cardiovascular health and muscular strength. It can also improve the body flexibility as it requires a high degree of mobility training to reach the

full height of those all important high kicks. Next WoW Karate term starts on 17th January 2026 at St. Peter's Centre. Contact us to join [info@wowmums.com](mailto:info@wowmums.com)

## WoW AGM

Women of Wandsworth achieved what we have set out to do this year:

- Helping elderly with events and free food deliveries to alleviate the high cost of living crisis and to spend some time with them in their lodges to alleviate the loneliness and isolation of elderly;
- Helping two local people to become entrepreneurs through our Enterprise club and solve their employability problem;
- Organised a seaside trip for local families to help with high cost of living crisis and alleviate the problem of high pollution in inner city ;
- Helped children to learn self defence through highly subsidised WoW Karate lessons, to solve the problem of bullying due to lack of confidence and vigilance;
- Our Parent forum is an open platform for all parents to come and discuss their issues they might have in raising a happy family.
