WoW Trip to Weymouth

WoW Mums annual, community trip to the seaside was fun and educational. We took our Mums, who volunteer for us the whole year, to Weymouth in Dorset for a residential trip to thank them for all

their help. It was nice to spend time with families in very good weather at the beach. Thank you so much to our funders for making this trip possible.

BBQ wit MP

WoW Mums attended Battersea Men's Shed BBQ, organised to celebrate their 10 years anniversary since they set up their carpentry studio for men over 65 years of age to use their skills as a hobby or talent in their spare time. Thank you to MP Marsha de Cordova for visiting and supporting their work.

Kambala Hub

Kambala Community Hub has been set up by long-standing residents in the heart of Winstanley in Battersea to alleviate loneliness and isolation and promote sense of belonging, improving well being by nurturing local organisations and start-ups that make our community thrive. We attended a lovely afternoon with the ladies from Flamenco class at the hub.

Free Food for Elderly

Elderly residents of John Kirk Lodge and Holmleigh Court sheltered accommodation in Battersea are so grateful for free food deliveries to their lobby, as this is a solution to high cost of living crisis, which affects everyone, but mostly the elderly and the most vulnerable people in our community. Thank you to our supporters A&P Foundation and the ardent volunteers.
