Battersea Festival

Battersea Community Festival, held every September in Falcon Park, organised by Big Local SW11 over the years has brought our community together in most joyful way, with fun for the whole family. Enjoying the hot weather in the park with friends and very good food was an event everyone was looking forward to this summer.

WoW Karate

We are so proud to announce that Alexis Ducusin has become a Black Belt Sensei in Karate. She has achieved not just self defence skills, but also self confidence boost, physical fitness, as well as vigilance and focus. Progressing through belts and mastering new techniques builds resilience and discipline. Alexis had perfect attendance and willingness to

learn, which helped her in her progress. Karate builds social skills and emotional growth, which is crucial for her path to University life, and living away from home in a new community. Earning belts and reaching milestones provides tangible goals and motivation for future tests in life, through a growing sense of achievement. Congratulation!

Community Champions

Winstanley Neighbourhood Regeneration team in Battersea have composed a poster of 40 Community Champions who volunteer in our community to improve the area we all live in.

We learn more about the volunteers through an exhibition of their portraits, exhibited in our parks, called Our Story. This is an incredible group of people, who all contribute in different ways to make Battersea what it is.

**THANK YOU TO
OUR FUNDERS
AND
SUPPORTERS**

Free Food for Holmleigh Court

Free food is still being delivered to our elderly friends in Holmleigh Court, sheltered accommodation in Battersea, by volunteer Joe Wiezoreck. Trust built over 10 years of visiting this lodge is essential for regular community work and support of elderly.

They appreciate the small help that our community can donate to them weekly, over the years, so they can save some extra money for their heating bills. We are organising a Christmas Community Lunch for them in December.

Free Food for John Kirk Lodge

Our Elderly neighbours in John Kirk lodge are very helpful with unloading the regular weekly, free food delivery to their lobby. There is a selection of fresh fruits and vegetables, as well as fresh meat, eggs and bread. We try to listen to their needs and, if possible, we will try to deliver.

We will continue to support them in the future, with the help of our funders, for which we are very grateful.
