EDITOR AND PUBLISHER:

SENIA DEDIC BEM

Halloween

Halloween Party in Kambala Club Room Community Hub, organised by Kambala Estate Residents, as a pre-Trick or Treating fun was entertaining and energetic, with lots of dancing, meeting the neighbors and having sweets.

Black History Month

Women of Wandsworth have been invited to the celebration of Black History Month at Wandsworth library, organised by Women in Business Support Network. WoW Enterprise Club joined other local entrepreneurs and spoke at the event about our achievements in the community and recognised Black individuals, whose dedication, care and leadership help shape stronger, more connected communities, often without seeking recognition.

WoW Theatre Visit

WoW Mums are always working at home, with the children and volunteering in the community. They deserve a treat to say thank you for all their hard work over the years and help with WoW Mums events, campaigns and support of others in need. WoW Mums are very grateful for the tickets discount to see the Devil Wears Prada musical at the Dominion Theatre and to give our volunteers a nice night out. It was a night to remember and there were wishes for other similar outings.

BIG THANK YOU TO OUR FUNDERS A&P FOUNDATION, CooP FOUNDATION, BIG LOTTERY, DOMINION THEATRE FOR THEIR SUPPORT

Free Food Deliveries

Elderly residents at Holmleigh Court and from John Kirk House in Battersea always enjoy a free donation of fresh meat, eggs, bread and seasonal fruits and vegetables to help them through high cost of living crisis.

NHS Consultation

WoW Mums have been invited to Quality Stakeholders Reference Group QSRG meeting of the SW London NHS for a consultation about patents' experiences with their hospital visits. We heard patients' stories and information about Merton Vocational Rehabilitation Pilot Project.
